

## Safeguarding and Welfare Requirement: Child Ratios

### 5.1 Staffing

#### Policy statement

We provide a staffing ratio in line with the Safeguarding and Welfare Requirements of the Early Years Foundation Stage to ensure that children have sufficient individual attention and to guarantee care and education of a high quality. Our staff are appropriately qualified and we carry out checks for criminal and other records through the Criminal Records Bureau in accordance with statutory requirements.

#### Procedures

To meet this aim we use the following ratios of adult to children:

- Children aged two years: 1 adult : 4 children:
  - at least one member of staff holds a full and relevant level 3 or higher qualification; and
  - at least half of all other staff hold a full and relevant level 2 qualification.
- Children aged three years and over: 1 adult : 8 children:
  - at least one member of staff holds a full and relevant level 3 or higher qualification; *and*
  - at least half of all other staff hold a full and relevant level 2 qualification.

We follow the Early Years Foundation Stage Safeguarding and Welfare Requirements as well as the Montessori philosophy.

A minimum of two staff/adults are on duty at any one time.

Each child is assigned a key person to help the child become familiar with the setting

from the outset and to ensure that each child has a named member of staff with whom to form a relationship. The key person plans with parents for the child's well being and development in the setting. The key person meets regularly with the family for discussion and consultation on their child's progress and offers support in guiding their development at home.

- We only include those aged 17 years or older within our ratios. Where they are competent and responsible, we may include students on long-term placements and regular volunteers.
- We hold regular staff meetings to undertake curriculum planning and to discuss children's progress, their achievements and any difficulties that may arise from time to time.
- The setting manager deploys our staff, students and volunteers to give adequate supervision of indoor and outdoor areas, ensuring that children are usually within sight and hearing of staff, and always within sight or hearing of staff at all times. The needs of the setting and children attending is taken into account when deploying staff and volunteers.
- All staff are deployed according to the needs of the setting and the children attending.
- Our staff, students and volunteers focus their attention on children at all times and do not spend time in social conversation with colleagues while they are working with children.
