6.7 Sun Protection Policy

Policy Statement

To meet Early Years Foundation Stage requirements by provide opportunities throughout the year for outside play and activities whilst protecting the children from the harmful effects of the sun.

Procedures

We aim to have an outdoor area used every day throughout the year. By taking what measures we can to protect the children in our care from the harmful effects of the sun.

- Include sun-safety in our summer term activities.
- Re-arrange our timetable to enable outside play earlier in the day when hot weather is forecast.
- Request that parents to adequately sun cream their own child before arriving at Pre-School.
- If Children are booked for 5 hrs or more parents are to provide a labelled sun cream to be applied during the afternoon session.
- Request that parents provide a labelled sun hat for their child.

This policy was updated at a staff meeting of Rushmore House Montessori Preschool in March 2020.
