

Visit the Preschool

Researching on the internet can help you narrow down your search, but there is nothing as good as seeing for yourself. Your visit to Rushmore House will be when the preschool is in session with children interacting with each other, the environment and the teachers.

An experienced Montessori teacher will guide you around the classroom and show how your child will interact with the environment that has been prepared to fulfil their needs. We encourage you to bring your child so they can experience the preschool as well. **Call us now on 01689 856066 (office) or 07957 324314 (mobile) to book your visit.**

Montessori

We are a MEAB accredited Montessori Preschool. Our extended Montessori Curriculum covers the EYFS and includes phonics. Each part of the curriculum has a place in the classroom where children can select activities of their choice from low level shelves.

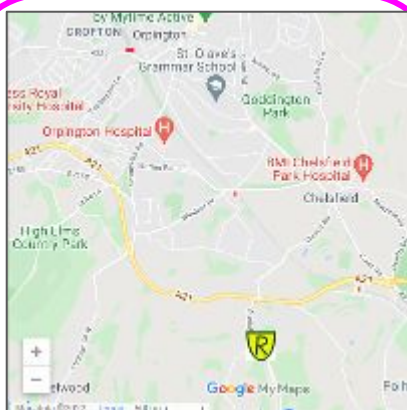

Holiday Club

The fun doesn't stop at the end of term. We run our own Holiday Club in the school holidays at the preschool. This provides flexible, cost effective, all year round childcare.

Forest School

We run our own Forest School in the near by Birthday wood. Children boost their self confidence and self reliance by doing things themselves in the ever changing natural classroom of the forest.
